

**Summary of Community Event
21st May 2017**

**What Community Assets and Facilities do we
currently have in the Parish?**

Community Asset/ Facility	Village or Wider Parish Location	Does anything need improving or Changing there?
Example: Primary School	Linby Village	Increased parking provision
Pub	Linby Village	Could the green be used for children's play?
Meadow and Heritage Centre	Linby Village	No leave as it is.
Stone buildings and footpaths	Linby Village	Retain and encourage the use of heritage lime/ building.
Rural Village Feel	Linby Village	New builds should match the character of the village, e.g Cotswolds development.
Green Spaces	Linby Village	Employ someone to mow the lawns/ keep it looking tidy.
Street Lamps	Linby Village	No but we must retain the conservation feel.
Brooke Farm	Linby Village	Better awareness of facility.

**Summary of Community Event
21st May 2017**

**What Community Assets and Facilities do we
need now or in the future for the Parish?**

Community Asset/ Facility	Where in the Parish?
Example: Outdoor play areas	Wighay Road development
Need to address car parking. We either need a car park or to reduce the volume of cars parking	Somewhere in the village
Traffic Calming Measures	Village centre – Slow cars down or reduce the traffic flow
Schools for the new developments	Top Wighay somewhere
Car parking problems prevent vehicles parking on the footpaths causing damage.	Village centre, stone footpaths
Broadband improvements	Its bad enough in the village but how bad will it get with new houses?
Existing primary school	Reduce the amount of school 'drop-off' parking is the school in the best location for todays use?
More Doctors	Currently 2 weeks waiting (in new development)
Wighay Road	Pavements and road very narrow near the train line.
Playgrounds	Within village/ Wighay Road
Reduce speed limit on Wighay Road crossing for pedestrians and cyclists. Traffic Calming.	Wighay Road/ Development
Local Shops/ schools and doctors. Improve public transport, extend tram route.	Wighay Road/ Development
Need to accommodate with proper facilities, doctor, dentist, schools.	Wighay Road/ Development
Decent roadways to accommodate excess traffic!!! Going down Wighay Road into Linby.	Wighay Road/ Development

Summary of Community Event 21st May 2017

Local Green Spaces Comments:

Comment	Area
Keep All Green Spaces. It is important to keep the green areas.	General
No New development in the centre of village, preserve green spaces.	
We should not be losing ANY of the green space.	
Reposition slabs of concrete in Linby Docks that have moved.	Linby Docks
Crossing Wighay Road is impossible. Need a crossing or slower traffic.	
Linby parish, take our parish council money but don't include our worries or concerns.	
Pub front could look better.	Grassed area at the front of Horse and Groom Pub.
Please no further development at the Football Club. The village needs to retain its rural feel and not look urban.	Church Lane Football Field.
No new development	Orchard behind house, Church Lane.
Village should be kept as it is now.	
Horses fouling bridleways (yellow brick road). Riders not concerned. Do not remove from path.	
Pub green could be used for children's play area in the village.	Playing field behind the Horse and Groom.
Keep it as is.	Footpath linking Linby to Papplewick. Grassed area front of 14 main street to Vine House. Bottom cross and Surrounding green space. Top Cross and Surrounding Green

Summary of Community Event 21st May 2017

	Space. Hayden Lane Footpath. Linby Docks. Land Surrounding Heritage Centre. Orchard behind house, Church Lane.
Don't allow any further development.	Wighay Road Grasslands.
There is a need for open green spaces that can be used by young families, kids have nowhere to play football.	

Summary of Community Event 21st May 2017

Responses to 'What Needs to be improved?' question:

- Need more facilities for children eg playgrounds
- 20-30mph Wighay Road, speed camera Wighay Road, funding for camera's on both sides.
- Wighay Road, Not been considered in traffic calming, only the village, we parish council too.
- Cross half the road and then wait for the other half to clear.
- Slow traffic coming in to the village.
- Not safe to cross roads to school no crossings and cars to fast.
- Speed of traffic through the village is an issue. However of equal importance is the heavy and constant flow which a speed reduction will address. There is a need for safe crossing at some point through the village eg a refuge to allow people to.
- 40 MPH speed sign on Wighay road currently covered in undergrowth needs clearing.
- Wighay Road, is Linby we should be considered. Traffic control for all of Linby.
- Signage to be changed from Hucknall to Linby to reflect new part of Linby.
- Traffic Calming
- Pedestrian crossings
- Maintain clear pavement on Wighay side (Gedling) of the road toward train crossing.
- Needs to be much less traffic (hard to even cross the road!) and slower.
- Reduce the speed in the village to 20mph
- We need something for the children to do.
- Traffic speeds need to be reduced, not sure the present proposals will do this. Need to be more drastic.
- Access to the Wighay scheme through Linby needs to be reduced before building starts on the next phases!!
- Enhance speed signs entering village.
- At previous meeting with Gedling Council they said they wouldn't do anything about traffic unless someone died!! 2 deaths in Papplewick since then.....
- 20 MPH through village and 30 MPH before entering the village.
- Different Road Layout.
- Crossings near roundabout for pedestrians.
- Affordable Bungalows for downsizing.
- More local amenities are needed. Kids have no open green spaces to play in.
- Traffic needs reducing/slowing down. If Wighay Road was reduced to 30 and Main Street reduced to 20 movement locally would be much safer.

Summary of Community Event 21st May 2017

Responses to 'What do you dislike about this place?' question:

- Proposal for more housing on Wighay site disastrous, needs resisting.
- The increase in the traffic.
- Noisy road surface.
- No traffic calming on Wighay Road. Village of Linby is Wighay Road too.
- Speed of Traffic.
- No Crossing places.
- Volume of traffic ALREADY to much. New development cannot be sustainable for our village.
- Speed of traffic on Wighay road need to be addressed, Camera?
- Traffic, Traffic, Traffic, increased phenomenally over past 20 years.
- Traffic, Traffic, Traffic, from morning till night.
- Speed and volume of traffic coming from Wighay Road direction.
- Speed of traffic coming from Wighay Road direction.
- Volume of traffic is the most negative part of this place. Also speed is an issue.
- Speeding cars increase in traffic.
- Railway workers carrying out work during the night with no consultation with residents.
- Inconsiderate driving, compromising road safety.
- Lovely village ruined by amount of excess traffic.
- Speeding traffic.
- Restricted road crossings.
- Lack of parking in villages.
- Wighay Rd horrendous please need traffic slow signs especially near train line.

Summary of Community Event 21st May 2017

Responses to 'What do you like about this place?' question:

- Love village community and rural area.
- Rural community and nice walks.
- Green spaces.
- Footpaths (public).
- Rural village feel, lots of history.
- Feeling of being different/separate from areas around.
- Linby Lane environment around to pub. Flowers, stream etc.. excellent.
- Rural village spoilt now by traffic.
- Countryside/rural feel of place.
- Small community feel.
- Stone buildings and footpaths.
- Rural community and green spaces. Walks through countryside.
- Rural Village feel.
- Green Spaces.
- Rural Community. Walking distance to many facilities.
